[Nomination procedures and policies for the candidates for Director]

To achieve sustainable growth and enhanced corporate value over the medium and long term, the Company intends to nominate candidates with extensive experience and deep insight as well as qualities to fulfill the role and the responsibility of Director in light of business experience, track records, task execution capability and expertise, while taking the Board diversity into consideration.

As for candidates for the Board of Directors, the Board of Directors selects candidates through deliberation and report of the Nomination and Remuneration Committee, after consultation among the Representative Director, other executive directors and the director in charge of human resources.

[Our Policy related to independence of the Outside Director]

The Company shall appoint a person from a business partner that does not exceed 2% of consolidated sales for the most recent three years, or an individual whose transaction amount does not exceed ¥10 million, who has extensive knowledge in finance, accounting, law, management, etc., and experience in corporate management, etc., and who has no risk of conflict of interest with general shareholders.
